Hello

Are you planing to do a version for Joomla 1.5?

I hope so!

Thanks

Hi,

We are planning to update all our modules/mambots where we can to joomla 1.5, unfortunately we are just very busy at the moment with other projects and revamping our own site.

Many Thanks

Just to let you know, we have just released a version compatible with Joomla 1.5 legacy mode on.

Many Thanks,
